3- When Srinivasa Rau was asked to pay the embezzled amt he wanted that Bhavanakere and Hosjete should be separated. The Dy Comr said that there was no connection between the embezzlement and the amalgamation and directed that Srinivasa Rau should pay the money.

Government in 1890. The other parties also applied to Govt. and later, Sirdar Le heard on this Connection. On the 5th May 1893 Govt. referred the matter to the Dist. Comr. asking him to hold an enquiry and settle the matter in dispute and, if necessary, to apply to Govt. for instructions. The Dist. Comr. sent his report on 16-6-94 and on the 6th May 1895 Govt. passed the following order:—

"As Amani Biaranakire is no longer a separate village, having been amalgamated at the Survey Settlement with the adjacent village of Hospete, the delimitation of the Shanbogi's Biaranakire from that of Hospete cannot now be sanctioned. The Settlement Survey (represented by the Assistant Superintendent Gundappa) advised that the Shanbogi of Hospete to the exclusion of the other branches, and that two-thirds share in the Shanbogi of Biaranakire, while continue to hold the Shanbogi of

the combined new village, and the heirs and Prabhadeva Row of the Desa Kulkarni family will be registered as subordinate hakdars, receiving 3/8 share in the Shanbogi of Madanahalli (equivalent to 1/7 of the combined village) and allowed a preferential claim to succeed to the office of the combined village when no members of the Hellakki family are forthcoming, or to officiate according to a system, should they be able to introduce such a system. In respect of the Shanbogi of Jangamkote and other villages, the arrangements made by the Deputy Comr, Bangalore District in 1874 and 1880, under which the office is now held by heirs of a member of the Desa Kulkarni family will be maintained, the members of the Hellakki and Kasba families who are entitled to a share in the Shanbogi of Jangamkote being registered as subordinate hakdars as indicated above.

the full amt. embezzled should

priated amount so far as it
relates to Bhavanakere and

sively in charge of these villages.
If Irinivasa Row does not pay
the amt. relating to the other
four villages, he must be dis-
missed, and any of the allotments

If this order that is now sought to be
revised. ~~The reasons urged by~~
~~Pet^r. Irinivasa Row are.~~
(1) ~~That~~ Pet^r. Irinivasa Row's
objections rest in that part of
the proceedings which says that

8 The villages of Koopele and Bhadrankere were as a matter of fact surveyed and settled separately (vide docket No 919 dated 11th March 1896 from the Survey Superintendent to the Deputy Commissioner). Prior to such settlement they must have been mapped as separate villages.

9 The Settlement was introduced in 1885-86 (between May and July)

10 Either at the time of or shortly after the Settlement, some of the Shanbhags seem to have complained to the Settlement Officer (Major Rutherford) of the Settlement having injuriously affected their status. Among them were Soobien and others of the Hattakki family. These are stated to have presented a petition to the Survey Department praying for the Amalgamation of Bhadrankere, as before with Koopele. Soob Rao says in his deposition that in making this request, he and other

shareers benefit of looking after the duties by turns and thereby enjoying the remuneration.

The Settlement Officer, after hearing the objections urged, submitted a statement showing what villages had in his opinion to be merged with other villages. This statement was referred by the Survey Supdt for the opinion of the Deputy Comm.r. No 155 dated 27th August 1885

On 2d September 1885,* the Dy. Commissioner called for the Amildar's opinion. The Amildar in his report No 255 of 2d June 1886* says as follows:— * No 211

Hospete and Amani Bhadranhere formerly formed one village Recently they have been separated. The Hospete Shanbhog has 2/3rds share in the Kiré Shanbhogi. The original Shanbhogi Haldar of these 2 villages is Hettaldki Narsappa, Grandfather of the Hospete Shanbhogne. Under these circumstances, there is no objection to their amalgamation The Deputy Commissioner then

wrote his reply to the Survey Supt Gudr, Survey — Bhadran Kere is a large tank, Bhagpur lands are also included in this. Water supply for has to be arranged for. Therefore it may be kept separate.

The Survey Supt then sent back the statement & the Deputy Supt asking him to make the necessary changes therein with reference to the Deputy Commrs observations.

In reply to the above, the Deputy Supt wrote as follows in respect of Hospete and Bhadrankere :— "I had proposed in the Statement that Bhadrankere should be amalgamated with Hospete. The Deputy Commr writes that it would be better to keep Bhadrankere separate, because it is a large tank and Bhagapur lands are also included therein. But the bed of the Bhadrankere tank is to the north of the Hospete village and is thus separated from the rest

that Bhadrankere should be amalgamated with Hoopale as first settled by me and I have allowed the entry made first to remain as it is. The Survey Superintendent then wrote to the Deputy Commissioner thus — 'Bhadrankere cannot but be amalgamated with Hoopale. There is no other course open (ಬೇರೆ ಏನೂ ದಾರಿ ಕಾಣುವುದಿಲ್ಲ) It is urged that by so amalgamating, the hak of one would be transferred to another. But this need not happen inasmuch as arrangement could be made for the Shanbhogas working by Rotation. By this means

the discharge of work will be facilitated. The Deputy Commissioner wrote* in reply thus - 'I agree to effect being given to the arrangement proposed by Mr Rutherfurd. Care will be taken when apportioning charges that no Shanbhog loses his haki'.

12. The amalgamation was accordingly sanctioned and notified in the Mysore Gazette of the 26th February 1887.

13 On the 12th March 1887 Srinivasa Row (petitioner 1st series) sent in a petition to Government complaining of the amalgamation. By Endorsement No 3800 dated 24th March 1887, he was directed to apply to the Deputy Commissioner. On the 29th November 1887, Sreenivasa Row presented his petition to the Deputy Commr. The then

lands thereunder which are
to the south of the same village.
The tanks and the lands of
Hospete are in the middle.
Besides this, the lands of the
two villages are dovetailed.
Only 12 numbers of the Obaya
Inam lands are included
in the map of Bhadravathi.
They are not in one block,
but are in different places.
In this connection the Amildar
has on 2nd June '86 reported
that these two, Hospete and
Bhadravathi, formed one
village formerly, that the
Hospete Shanbhag has $\frac{2}{3}$ rds
share in the Sire Shanbhogi,
that the original holder
of these two villages was Hattalli
Narasappa, grandfather of
the Hospete Shanbhogs, and
that there is no objection
to the Enfranchisement.

Therefore I am of
opinion

O. Book No: 25 of 12.87

Mr. Com. Rev. Commissioner wrote to the Amildar of Siddapura as follows:— "To what village has Bhadranakere formerly attached? Also how far is Bhadranakere from Hosplete and Jangamkote? What are the revenue collections of Hospete and Bhadranakere? Is there any objection to separate them?"

X. No: 17 of 8-4-88.

X. The Amildar's reply thereto is — "Bhadranakere was formerly a village by itself. It is 1½ miles from Jangamkote and ½ a mile from Hospete. The Rev. Collection of Hospete in Vyaya was Rs 722-5-6 and of Bhadranakere Rs 1538-11-2. There is no objection to keep the village separate, as it was formerly."

14 On 6-4-88 Sheristadar Gundappa Shanbhogue of Hospete presented a petition to the Com. saying that the villages should not be separated, that at the Settlement the Amildar went through the entire records and submitted his report No: 255 in favor of amalgamation, that the Com. and Government sanctioned it, that Sellakki Narsappa was originally entitled to the Shanbhogue of both these villages and that, for all these reasons, no

Value should be attached to the
Amildar's report No: 17 of 8.4.88.

The 1st Class sent this petition to the Amildar, who enquired about the matter and sent his report No: 91 dt 2.5.88 for the complainant and others the accounts of Bhandare the Inamdar, Bharadi or the Mahals in Taluka of Patan.

the former, replied in reply thereto:— No: 103 dt 2.5.88

In the correspondence carried on, it is mentioned that one person is the Inamdar of both the villages and thus the two have been amalgamated. As Bhandare was forming a village in itself, I say that there is no objection to keep it separate from Kelewadi. Bhandare used to be Inamdar formerly but in Sanvat (1887) 88 he got himself separated and Bhandare formed part of Inam of Kelewadi and after the Inam Enquiry of the village— Thereupon the 1st Class Talukdar the 2nd Class sent the following order:— X No: 224 dt 24.7.88.

As Bhandare has been amalgamated with Kelewadi, no alienation can be made now. But as the revenue collection of the first is more than that of the second, the Shendipanes may work by turns — one for 2 years and the other for one year. Take the Kaifiyat of the Shendipanes in this respect and send a report.

The Amildar reply† is — Vetkari Sundarjee is not willing to officiate by turns. He also says that Circular No: 13 issued by the Prantadicary Division Supt on 5.11.85 directs that the system of allowing taking works from Shendipanes by turns should at once be put a stop to. The system of rotation are † Report No: 265 dt 4.8.88.

cause much confusion because the Shanbogue will not be annually for one year
of the ensuing years proceedings. One will want to get rid of the other and so they will cause the ryots to prefer false complaints. Factions will arise in the village. For these reasons the system of rotation ~~shall be~~ need not, must not be introduced as directed by the circular, but be introduced.

⊗ Endorsement on above report 3/3 30. 9. 88

⊗ Hyd. Rahman then proposed to separate the villages or to have the Bhandaree man as Shanbogue and the Nirgunte man as his deputy. To this effect a petition was sent to the Survey Superintendent 3. 10. 88.

Hyd: 3884 0/5
X. 17. 11. 88

The Survey Supt. sent the following in reply: — "The two were analysed in accordance with your office letter No: 63/3. 37. A 86. No alteration can be made now. You say that the natives are not willing to work by turns; but it is not thought necessary to consult them in this matter. All the Russedars might work by rotation according to their shares. It would, in my opinion, lead to confusion if a Shanbogue and a deputy Shanbogue are appointed."

17

The matter seems to have been dropped there, and Sri. Srinivasa Rao required to pay up the arrears. He appealed to Government as noted in para 4 above, and with reference to the contention in regard to the annual rotation in the land appeals to the Commr. Mr. Chadwick noted as follows:-

"It will be seen from the above correspondence that my predecessor Mr. Abdul Rahiman was of opinion that the Tavanikkal should be allowed to remain distinct from Kuzhi as before or if such an arrangement were found impracticable, the Manigar of the latter might be appointed to head and that Kuzhi to the Manigar of the village as were connected with the latter. Mr. Rahiman does not mention in his report that is dated [illegible] connected with the village, nor is he informed on this point from which the parties concerned do not consent. I would therefore beg to recommend that the arrangement made during the survey settlement might be enforced, each Swamboge informing the Cutcherry of the office for a period in proportion to the revenue of each village".

Dated [illegible] submitting his above letter Board's Proceedings ordered in [illegible] dated [illegible]. This is to be done says in this letter No: 4656/1129 dated 16.6.94, paragraphs 44, 45 and 46 — Looking to the individuality of the interest involved in the Swamboge of Kerpede which is shared in by the members of one family (the Vellatti family) while that of Bhadrakkare is divided between the members of both the Vellatti and the Vedakattukaran families, it would seem convenient to separate the lands from the village and restore the former to the independent position which it held before the Survey settlement. There is also a great disparity between the revenue of the lands and that of the village which

(X) His letter No: 2903/689 dated 7.9.91 paragraph 10.

The Manager, in his letter of 8.9.91 explained with the arrangement referred to in the above letter, that the separation made by the former Manigar [illegible] the Swamboge should be permitted to do duty by Rotation."

appears little less than 1/2 nd of the former.

If the above arrangement be considered impracticable, I would submit as an alternative proposal that the Shanbogue of Bhadravathi be regarded as the head and head of Hospete as the deputy Shanbogue, the former keeping some of the accounts of the taluk and the latter the remainder, each receiving a proportionate share of the hobli.

Nellakki Jundappa may continue to be one of the Shanbogues.

16 On receipt of the above report the Dy Commr was asked to enquire into the matter by an order of [illegible] and the above is his opinion after the enquiry.

17 Petitioner in his petition of 3.8.95 para 4 says that the Amildar on 17.5.86 submitted as his opinion that the amalgamation should not take place:

Thus it will be seen that three Govt Courts and two Amildars

8 all the parties were heard in Council, and the Govt (the Dewan & the Honble the Secretary) declined to interfere with the separation of the two villages made on order for the reason of the existing general custom in accordance with the principle followed in other similar cases

as the petr says) are in favour of separation. The petrs have been complaining of this amalgamation from the very beginning. He was not in the village at the time of amalgamation. He was employed in Mangalore and other places. Again the respte Shanbogi exercising belongs to the Hattiaki family. They are also entitled to a 2/3rd share in the Shanbogi Shanbogi of Siddapur. ~~On the whole the Hattiaki family~~ These are all undisputed points. On the whole the Hattiaki family has 3/4 of the Shanbogi and the Desakulkarni 1/4 of the Shanbogi of the new village formed by the amalgamating and the order of G. S. Dated that Hattiaki family (his family has 3/4 the share) should be the Shanbogue of the new village.

(21)

(X). Hellakki Shibba Rau's affn before the 1st Asst Comr. in this connection see Mudhol Magistrate's report No: 1255 of 2/6/86

21 From the year 1835 till the amalgamation the two said formed separate charges for the Hellakki family and since they entered that division to 1835 they were united as one village.

22 From the year 1864 onwards the Desa Kulkarni family have undoubtedly officiated as Shanbogues of Mahadevkere.

23 Coming to the 3rd ground for review, the Petr's statement is supported by Hellakki Subba Rau's petition presented to this office on 2.2.93 and by his affn before the 1st Asst Comr. The concluding paragraph of Subba Rau's letter (X) also shows that at the time of settlement it was arranged that the Shanbogues should work by rotation. Petr says that as the system of rotation is opposed to the existing rules, [illegible] which the amalgamation which, he says, was sanctioned on the condition that the

algamated between themselves and Sundappa the latter was the owner of a large right [illegible] even may hereafter the share of the amount now be interfered with, Sreenivasa Rao reserving to himself the power to prosecute Sundappa

Therefore it must be mentioned in the proceedings that Sundappa alone shd pay the embezzled amount of Bhadrakere and shd also pay the Lobji to the several shareholders.

(3) Since coming into office, Sundappa has himself taken all the Ananti produce, without paying the other sharers. Therefore it shd be ordered that each shareholder shd collect his share.

(4) He is willing to pay the embezzled money of Bhadrakere and Jangamkote and also the Nur embezzled amts due by the Jangamkote family if that family shd not pay it. Those amts shd be received from him and he shd be registered as Shanbogue of the villages.

(5) If Hospete is not registered in his name, then arrangements for doing the work by rotation, in conformity with the opinion of the majority of shareholders, shd be made.

(6). Gundappa is not the registered Shanboque of Bhadravankere or Hospete. So pltff, who has the largest share, should be registered as Shanboque.

4. Gundappa's father was the Shanboque of Hospete. After his death Gundappa succeeded. Subbarow has no share in Hospete Shanboqui; Subbarow has 4 shares in Bhadravankere Shanboqui whereas Gundappa has only one share. Upon this last fact he bases his first and last grounds of review.

17 As to the 2nd ground — it is true that H. Gundappa, in his depn before the Wr Court, says that the mill pays the embezzled amount of Bhadravankere and will also pay the profit to the other Shareers.

28 As to the 3rd ground — H. Gundappa says that, as the other shareers were not paying their share of the profits due on the loan mentioned, he himself paid the whole and took enjoyed the produce.

29/4 th ground — The Hallakki being has no shares in the other 4 Villages (excepting Bhadravankere and

[illegible]

Mr. Nallathi Sivaba Pillai (petr 2nd series) applies for a review of the same order on the following grounds: ——

(1) That he has a larger share in the Bharanikave Shanbagam than Gnanapiria and therefore he must be registered as Shanbogue.

(2) That Gnanapiria has expressed his willingness to pay the whole amount (Rs 1000) and to pay the rest of the Shanbogam if the Shanbogam is given to him.

* This is a draft of the [illegible] of the 1st Commissioner on the 8th March 1895 and submitted to the Board [illegible] Govt is an abstract of the [illegible]

The order of the Board in 1895 is quite correct & cannot now be revised. The order was not based upon the principle that the Shanbogam could work by rotation but it was upon the possibility of certain evils in the contemplation of Govt which came into force. Govt the system of rotation was not upon operational convenience after the order — before 1835 the two villages were one — & it was after — mature consideration — that Government — the Board —

30 5th ground — She wants that each shanbogie should efficiate by turns. She says this was the understanding when Bhadrankere was amalgamated with Hospete. Government have been pleased to arrange for the rotation of work among the shanbogues of Kadagattur, Jnanoor, Sirsi Taluk, Dunbur District.

In this case also Govt. Sanction arranges for rotation. The last paragraph ~~the last part~~ of the decision in the Kadagattur case is as follows:— "As all the shares, however, cannot be allowed to perform the duties of the office jointly, the appellants who represent one branch of the family should be allowed to select two of them to do the duties of the village for a period of 5 years, at the end of which the 1st and 2nd Respts., who are the members of the 2nd branch, will be allowed to do duties for a similar period. This arrangement appears to be equitable as the

1st and 2nd Respondents have, during the last five years, performed the duties of these two villages." The words of the Kadagattur case are submitted with the proceedings in this case for reference if necessary.

Lakshminarayana (Pt. 3rd series) ⊗ only requires that he shd be allowed to pay the amount due on account of Jayamkonda and the Kist of Villages of J. Srinivasa Rau does not pay it.

He says that his father Hotta of Jayamkonda Jundappa was the Shanbogue of these 6 villages and after his death Jayamkonda Jundappa was dismissed in 1875. These are borne out by the records. He also says that the Chief Comr in his proceedings No: 9026 / 199 X 1/12/76 ordered that the Shanbogi Shd not be alienated from Jayamkonda Jundappa's family. His complaint therefore relates to that part of the order (suprà now reversed) which directs that if J. Srinivasa Rau does not pay the amount due for Jayamkonda

the matter was subsequently Kadagattur proceeded under appeal as aforesaid - the system of work is attended with difficulty & uncertainty & is liable to much misconception & mischief - the office cannot be carried on unless the management is regulated by rules & there are checks to prevent abuse or wrong doing on the part of the subordinate officers - Moreover the Kadagattur case was decided by the Commissioner in Mysore - Mysore applies to the whole of the Province also.

ABSTRACT.

Petr applies for remission of Govt Prop no 22412 P. 7288-92

The grounds for remission
(1) The above Prop directed that in case Sreenivasa Rao failed to pay the amount misappropriated by his grumasta, the amount should be recovered from Gundappa and both the villages Jangamkote & Bharamakere should be registered in the name of the said Gundappa as petr owns a larger share in Bharamakere than Gundappa petitioners should be relieved

the work should be
taken from him.

S Gundappa is not
the registered shareholder
of the cocoanuts and
Hospet. He is only a
subordinate workman.
Petitioner has got a large
share and his name should
therefore be registered.

W.A.

2 Hethakki Gundappa has deposed before the Deputy Commr that if the Shanbhogi of Bhadana kere was given to him he would not only pay the whole amount that has been misappropriated but would also pay all the hissedars their Potgi. Orders should be issued accordingly As the Shanbhogi office of Bhadranakere is also ordered to be given to him the whole amount due in respect of the "kere" (tank) should be recovered from him only.

3 Hethakki Gundappa has ever since the amalgamation of Bhadranakere with his own village discharged the duties of the office and enjoyed the Inam produce. Orders should be passed permitting the other hissedars to take the proportionate produce.

4 In case the amount misappropriated is not recovered from the Jangam Kote family, petitioner is prepared to pay it. The office should therefore be registered in his name. If the petitioner pays the amounts due on the villages [redacted] kere (respecte. Jangamkote)

In the Supreme Court of

Bombay in the Province of

Revenue Jurisdiction Case No. 13 of 1895-96

Petition praying for leave to appeal

Petitioners above named most humbly

and respectfully sheweth that the Proceedings

of the Government in their No. 2241

Rev. Dept. 288-92

dated Bombay the 6th May 1895 made

finally reconsidered, a certified copy of

the said Proceedings is herewith produced.

The grounds for the reconsideration

are the following viz—

I The petitioners in the drawing of the following villages viz— 1, Jarandeshwar 2 Amrapur Dabhoker, 3, Kusbaria, 4, Bajwandra, 5 Gaidaeeri and 6 Nawanagar, all these villages are situated in the Kaira District of Gujarat.

II. As regards Kusbaria, Bajwandra, Gaidaeeri and Nawanagar there is no dispute.

III. As regards Jarandeshwar, Petitioners family has got as 3rd share Jasvantsinhji family as under

the petitioner belongs has got a 3rd share and Kasaba family has got a 3rd share.

II As regards Amany Bhadrankur Hettiarchy family possesses 2/3 share as Nilaya[redacted] Devalakkamany family (i.e) the petitioners family possesses 1/3 share.

I Although Hettiarchy family possessed right V in Jangamkole and Bhadrankur as stated above still the petitioners family (i.e) Devalakkamany family has been doing the duties as Archaka for more than 60 years. This fact will be proved from a Kind perusal of the Hettiarchy patty of the year Vikary about A.D. 1839 and of the Register of 1863-64

II In 1880 Hettiarchy family presented a petition for the amalgamation of Amany Bhadrankur with their own independent village of Hospet. The Amildar passed his order dated 19th May 1880 that the amalgamation should not take place. After some Correspondence between the Deputy Commissioner and the Survey Superintendent the amalgamation was approved of.

III The petitioner having come to know this, submitted his petition dated 2nd March 1887 to the Darbar and an endorsement No 380 dated 24th March 1887 was given to the petitioner to say that the petitioner should submit the petition to the Deputy Commissioner. The petitioner therefore submitted his several petitions, the last of those is dated 29th November 1887 to the Deputy Commissioner

III In the meanwhile the Deputy Commissioner ordered the petitions to Kandachar Circuit of

Arumugam Pillai to the Settlement Officer
alleging the petitioner committed the petition of
objections, that the petitioner could not reply
accepting the orders of the Deputy Commissioner

II — In the beginning of December 1887 the
Deputy Commissioner Mr. Wilbraham called
on the Mirasidar of Kallagudi to report on
the amalgamation of Arumugam Pillai to
Koppai and Pallavarayanpettai and what objections he had
for the operation of these two villages.

X — The Deputy Commissioner Mr. Vere Benson
wrote to the Superintendent of Revenue Survey that
the two villages should be operated, and
there ended the matter.

XI — In the Remarks there was the case of
Embezzlement by Arumugam Pillai appointed
of the petitioner.

XII — The petitioner appealed on 15th August 1890
to the Government of Fort St. George in the said
case of embezzlement and prayed the
disposal of the case of amalgamation of
Arumugam Pillai & Koppai lying in the
Deputy Commissioner's office unadjusted for
three years,

XIII — The Government in their endorsement
No. 1133 dated 2/12 3rd May 1893 informed the petitioner
that the Deputy Commissioner of Karur has been
instructed to dispose of the matters connected with
the dispute of several Villages, and also

of the liability of the petitioner to pay the embezzled money

XIV The Deputy Commissioner held several enquiries and reported the matter to the Government in his letter No 1056/1129 dated the 16th June 1894

XV There upon on the 27th of September 1894 a hearing was granted to the petitioner by the Councelor Messrs. Thiruvettipa and S. R. Sivanandeshan and the case was finally decided by the government on the 6th of May 1895.

XVI The petitioner most humbly begs to submit that his petition for the reperation of damages Sivanandeshan was complete is not yet disposed of

XVII There is no necessity for the amalgamation and the Auditor and the Deputy Commissioner were also in favor of the reperation of these two villages and these two were damaged plans taken out, and settled reperating. He prays that the reperation may be kindly ordered and that he may be allowed to do his duties as Secretary of Mahamanthulankal

XVIII As regards the payment of embezzled money the petitioner begs to submit that he was taken by surprise when he came to know the Contract of his grandsa, the petitioner was also believed that his late grandsa was of good character, moreover the petitioner is

willing to pay the amount of encouragement which may be proved after strict enquiry to have been intercepted by his gumasta provided he gets back his office of Munsiffy or Chowkey Bundiankeri after seperation of the same from Mooapeer. The petitioner submitted this matter to the kind consideration of the Honorable members who heard the case on the 2nd of September last, and the petitioner understood them to have been inclined to do so. But unfortunately for the petitioner the case was not decided till a long time after the hearing and without a notice to the petitioner to represent his case before the Honorable members who decided the case on the 6th May last,

XIX The government in their Proceedings in question said that "as Amany Bundiankeri is no longer a seperate village having been amalgamated at the Survey Settlement with the adjacent village of Mooapeer the seperation of members of Bundiankeri from that of Mooapeer cannot now be sanctioned". The petitioner begs to state that if the villages are seperated, then there will be no difficulty in government kindly giving his appointment back to him, and since the question of seperation of the villages has not yet been finally decided the prays that even now the government will be

order thereon No. 22412 pet: 7.288-92 Dated Bangalore, 6th May 1895

As Amani Bhadrankere is no longer a separate village, having been amalgamated at the Survey settlement with the adjacent village of Hoospeti, the separation of the Shanbhogi of Bhadrankere from that of Hoospete cannot now be sanctioned. The Hettakki family (represented by the present official Gundappa) which is entitled to the

the other branches, and to two-thirds
hare in the shanbhogi of Bhadrankere,
ill continue to hold the shanbhogi of
the combined new village, and the
titioner and Mahadeva Rao of the Desa-
Kulkarni family will be registered
as subordinate Hakdars possessing 1/3
share in the shanbhogi of Bhadrankere,
(equivalent to 1/4 of the combined village)
and allowed a preferential claim
to succeed to the office of the combined
village when no members of the Hettalkar
family are forthcoming, or to officiate
according to a system should Govern-
-ment be able to introduce such a
system. In respect of the shanbhogi
of Jangamkote and other villages, the
arrangements made by the Deputy
Commissioner, Bangalore District in
1874 and 1880, under which the office
is now held by petitioner, a member
of the Desakulkarni family will be
maintained, the members of the Hett

kindly pleased to decide the same by seperating the two villages and to give him leave his office

XX The petitioner also begs to submit that when the government wanted to amalgamate other villages with certain other villages in the same Taluk during the settlement there were objections raised by the chambers of the several villages and the government were pleased not to sanction their amalgamation and unfortunately for the petitioner these two villages alone in question were amalgamated for the seperation of which he now prays.

XXI The petitioner most humbly prays that a hearing may be kindly given to him so that he may personally represent his case to government, as the amalgamation was entirely granted for the interests of Settlement, namely,

For the foregoing reasons the petitioner prays that the seperation of these villages may be kindly ordered and that he may be kindly allowed to do the duties of Chambergy of Sannamy Bindrukod,

(2) The embezzlement having taken place when Bhairavaiah was in the charge of petitioner Srinivasa Rao's gu-

Before the Government of Mysore (26)

Petition of Immuraddi Mariyappa of Yenganhalli and other villages in the Hobli of Kolar district.

That with reference to the correspondence alluded to in connection with his petition submitted to the Government on the 3rd instant the petitioner begs to state that, under a condition proposed by the Private Commissioner and the Survey Superintendent for the performance of Shanbogs duties on a system of rotation the amalgamation of Aruany Bindurekere with Hosapete was approved by the Government. But after the amalgamation the petitioner was simply directed to hand over charge of Bhudurekere on the plea that Bindurekere was amalgamated with Hosapete. The Government in their proceedings of 6th May 1895 say, that the seperation of the Shanbogs of Bhudurekere from that of Hosapete cannot now be sanctioned as they were amalgamated during the Survey settlement, and do not authorise me to officiate on a vacancy proposed and approved for the amalgamation under the influence of the existing Regulations. The petitioner begs to bring to the kind notice of the Government that there should have been no amalgamation on the existence of such Regulations, and the amalgamation sanctioned conditionally in contradiction to the existing Rules will be entitled for the seperation of these villages. The petitioner therefore prays, for a kind perusal of the records connected with the hereditary claims of the petitioner are duly effected,

Petitioner Achappa shanbhog of Ibbasapura in the Devanahully Taluk of Bangalore District.

That during the Rev. Survey of the above Taluk lands attached to the petitioner's village about 138 acres in extent assessed at Rs 17.50 were included to the lands of Amanji Bhadranaika of Siddlaghatta Taluk.

2. Lands included with Bhadranaika from the petitioner's village have been included in the Pymaishy accounts of the Year Sidhereby and situated in the Taluk part of Ibbasapura

3. The Ryots of the lands included to the Bhadranaika against the petitioner's Claims were being paid to the petitioner to the survey settlements.

4 Since the petitioner's village lands were included to Bhadranaika and Bhadranaika was Amalgamated with Hosapete

Hosapete the petitioner had
lodged his complaints and since no
sufficient inquiry was made he has
been gone a loss of Rs 600-0-0 salary
annually

5. There is no reason why the lands attached to
the petitioners should have been included
with Amany Bhadravathi and the Amany
Bhadravathi an independent and large
village should have been amalgamated with
Hospet in prejudice to the claims of those
Shanbogs

6. On a hurried perusal of the Pahanis of Revenue
attached to those villages now available the
unimportance of those (Amalgamations)
Amalgamations in prejudice to the claims
of those Shanbogs can be brought to the
notice of the Govt. and the petitioner is also prepared
to prove the same by other records he has secured

7. Petitioner therefore most respectfully begs
that the Govt would be graciously pleased to
hear the petitioner's case in person and
relieve the petitioner of the loss he has
sustained without any reason from the
Amalgamation made without necessity.

Hissedars should hold
the Office of the combined
new village by rotation;
but the order of the 6th
May 1895 was not based
upon the circumstance
that the Shanbogues could
work by rotation, nor
was the system of rotation
an essential condition of
the order. The
possibility of such an
arrangement was suggested
if certain rules in the
contemplation of Govt
came into force, but the
arrangement is attended with
great difficulty and will
give rise to much confusion,
uncertainty of responsibility,
and mischief.

.. As between Petitioner
Srinivasa Row and
Kettakki Gundappa, the
latter was the owner of a
larger right in the Shanbogi
of Khadambur and was
very properly appointed

5. Petitioner Scrimgeour's Rule application for review of the order of the 6th May 1895 are therefore rejected. He should be called upon to produce the undertaking amount within a time to be fixed by the Deputy Commissioner, and if he fails to do so effect must be given to the direction in the order of 6th May 1895, that he should be dismissed.

6. In the matter of the petitions of Hellatikei Indian Rose, the precedent cited, viz, the order passed on the 24th May 1890 in regard to the Shantagé of Kocaiiltun and Kagwa Falls in the Madagascar Islands, permitting the shares to be offered by terms

paying the land. As regards however the amount which relates to Jangamkote and the Lemo due in respect of the marginally noted villages, the shanbogi of which is that of Jangamkote, is held by Srinivasa Row, the request of ~~Ba~~ Pet Lakshminarasappa, who appears to be a collateral heir of Srinivasa Row, being his brother's son, that, on default by Srinivasa Row, he should be permitted to pay the same, seems not unreasonable. It does not appear that Petitioner Lakshminarasappa was a party to the proceedings of 1895. The Deputy Commissioner will enquire into the matter of his petition in the presence of Gundappa, Petitioner Lakshminarasappa and others interested, and dispose of it as he thinks proper. It is noted that the

the reasons stated above

these applications are
